PROFESSIONAL EXPERIENCE

MEDICAL ASSISTANT

Adult Care of Austin, Austin, TX / Jan 2020 – Present

- Interview patients to obtain medical information and measure their vital signs, weight, height, and swab to run potential laboratory tests.
- Operate x-ray, electrocardiogram (EKG), or other equipment to administer routine diagnostic tests.
- Hired to create the Chronic Care Management (CCM) program in order to effectively administer care outside of the office for patients with two or more chronic disorders.
- Prepare and clean treatment rooms for patient examinations.
- Authorize drug refills and provide prescription information to pharmacies and correspond with affiliated insurance companies.
- Help physicians examine and treat patients, providing instruments or materials or individually performing such tasks as giving injections, irrigating wounds or removing sutures.

HOME HEALTH AIDE

MEDICARE, Caregiver Homes, Austin, TX / Jan 2019 – Sep 2019

- Maintain records of patient care, condition, progress, or problems to report and discuss observations with supervisor or case manager.
- Provide patient with help moving in and out of beds, baths, wheelchairs, or automobiles and with dressing and grooming.
- Care for patient by changing bed linens, washing and ironing laundry, cleaning, or assisting with their personal care.
- Administer prescribed oral medications, under the written direction of physician or as directed by home care nurse or aide, and ensure patients take their medicine.
- Accompany client to doctors' offices or on other trips outside the home, providing transportation, assistance, and companionship.

PRE-SCHOOL/ELEMENTARY SPECIAL EDUCATION AID

Open Door Preschools, Austin, TX / Sep 2018 – Sep 2019

- Provide extra assistance to students with special needs; students living with physical and mental disabilities.
- Provide disabled students with assistive devices, supportive technology, and assistance accessing facilities.
- Present subject matter to students under the direction and guidance of teachers, using lectures or discussions to help aid in one-on-one speech development.
- Carry out therapeutic regimens such as behavior modification and personal development programs, under the supervision of special education instructors, psychologists, or speech-language pathologists.
- Participate in teacher-parent conferences regarding students' progress or problems.

EMERGENCY MEDIC

Medicine in Motion/Austin Marathon, Austin, TX / Feb 2019 – Feb 2020

- Worked the Austin Marathon route as part of the medical team under Colby Thompson; covered Mile 13 and tended to runners' medical needs.
- Expected to administer first aid treatment or life support care to sick or injured persons in prehospital settings.
- Communicate with dispatchers or treatment center personnel to provide information about situation, to arrange reception of victims, or to receive instructions for further treatment.

ONCOLOGICAL SURGERY SHADOW | LABOR & DELIVERY SHADOW

San Antonio Military Medical Center, San Antonio, TX / June 2017 – Aug 2017

- Had the opportunity to observe surgical procedures within the OR performed by Lt Col. Dr. Garth Herbert and Dr. Travis Clifton.
- Attended rounds and learned patient-doctor relationships, terminology, CT scan interpretation, and effective communication concerning medicine.
- Shadowed Dr. Baker in the Gynecology Department of the hospital; was able to learn effective terminology and observe during live births and C-sections, distributing with equipment and files as needed.

PEDIATRIC CLINICAL SHADOW

Bolling Air Force Base Clinic, Washington, DC / November 2016 – January 2017

- Shadowed Dr. Garcia and PA Palmo in the Pediatric Department; handled vaccination records and learned how to perform physicals.
- Scribed and interpreted notes for Dr. Garcia.
- Maintained HIPAA compliance across all patient data-handling, systems and training.
